

PRE-OPERATIVE INSTRUCTIONS

ORAL & MAXILLOFACIAL SURGERY

1. **YOU MUST** be accompanied by a responsible person who is to remain in the reception room and is able to transport you home.
2. **ALL PATIENTS** undergoing a general anesthesia (sleep) or IV sedation are not to have anything by mouth (solid or liquid) for 6 hours before your surgery appointment. Take all regular medications with a sip of water unless otherwise instructed.
3. **WEAR** a short-sleeved shirt or blouse to allow accessibility to upper arms for monitor placement.
4. **WEAR** low-heeled shoes.
5. **REMOVE** contact lenses prior to surgery.
6. **FEMALE PATIENTS** should remove nail polish from their left index finger, if possible.
7. **PATIENTS** less than 18 years of age should have a parent or legal guardian accompany them to their appointment.

Bruce D. Campbell, D.D.S.
